Middle East Technical University

City and Regional Planning
2024-now

SKILLS

- Analytical Thinking
- Social activity
- Team Work
- Urban Analys

LANGUAGES

- English *B2 Level*
- German *A1 Level*

HOBBIES

- Design
- Photography
- Sport

I am a third-year student in the Department of City and Regional Planning at Middle East Technical University. My academic interests include urban design, social spaces, and sustainable urbanism. I am a team-oriented individual who is open to learning and capable of analytical thinking. I have strong interpersonal skills and am socially active.

In addition to my academic background, I am interested in design, language learning, and exploring new places. In 2019, I participated in my high school's Erasmus+ program and spent one week in Germany, where I stayed with a host family, gaining valuable international and cultural experience.

Currently, I am an active member of IAESTE (International Association for the Exchange of Students for Technical Experience) at my university. Through this organization, I will participate in the IAESTE Twinning Program and spend ten days in Austria at the end of February.

Furthermore, I spent the entire month of July 2026 in England, where I took an English course to improve my language skills. I also participated in an international summer school in Italy, which gave me the opportunity to gain new academic and cultural experiences about my department.

COMPUTER AND TECHNICAL SKILLS

- AutoCAD
- SketchUp
- Microsoft Office (Word, Excel, PowerPoint)
- Adobe Photoshop
- Netcad
- GIS

SKILLS

- Fieldwork experience: I conducted research at Sagalassos Ancient City, Burdur. Additionally, I took part in fieldwork with my school in Niksar, Tokat.
- I participated in the 17th International Summer School "Heritage Without Borders" in Italy, organized by the University of Life Sciences "King Mihai I" from Timișoara and C.O.I.F.A. Italy, and received a Diploma of Participation. This experience allowed me to gain valuable academic, cultural, and international experience.
