WORK EXPERIENCE

METU Productivity Club Active Member

Active Member 09/2025 - 05/2026

- Sponsorship Management: Played a pivotal role in event budgeting and secured end-to-end sponsorships from well-known brands including SR Döner, Tea Co, and Cajun Corner.
- Operational Execution: Managed logistics planning and operational tracking for multi-stakeholder projects, ensuring flawless event execution.

METU Productivity Club Administrative Board Member

Project Leader 05/2026 -Present

- Leadership & Coordination: Actively contribute to management processes as an Executive Board Member; provide mentorship and field coordination for various annual club projects.
- Strategic Networking & Speaker Management: Formulate and execute communication strategies to recruit C-level female executives from top-tier national companies and high-profile public figures for panel discussions.
- Social Impact & Awareness Initiatives:
Conceptualize and execute a campus-wide breast cancer awareness event in collaboration with MEMEDER, hosting specialist physicians and guest speakers.
Organize the traditional annual social responsibility trip for disadvantaged village schools; secure financial and in-kind sponsorships, and manage field logistics.
Spearhead a beach clean-up drive in partnership with WWF, initiating a coastal adoption process on behalf of the society to lead environmental sustainability efforts.
